PASTOR'S CORNER

As we prepare for a change in seasons from winter to spring, our thoughts turn toward renewal, refreshing, and new growth. To that end, I want to encourage you to think on renewing your relationship with God by reading this article at least three times. Thank Him for what He has done in your life. Thank Him for what He is doing now, and thank Him for how He is preparing you to receive the benefits of His will. Praise Him for how He has blessed you. Praise Him for how much it cost Him to bless you. Praise Him for how His blessings are affecting you. Worship Him to express how much He is worth to you. Worship Him for blessing you to bless others. Worship Him through your spirit and do it with truth. As we think on these things we will not only renew our internal spirit but we will revive our love for God and view our relationship with Him with a deeper love and appreciation. Get ready—the season is about to change!

Testimony Jehovah Jireh , God is our Provider!

Sis. Cherida Nash has a awesome testimony of how God became her Jehovah Jireh. For the past couple of weeks in Sunday School and in Bible Study Greater Harvest Church has been studying on the power of giving. According to Luke 6:38 when we give to God he promises that **men will give** back to us!

For the past 3 months Sis. Cherida's car had been in need of repair. She was unable to drive, and she needed a ride everywhere she went. Even though she had this need she continued to give. Last week unexpectedly the Lord moved on someone's heart, and **they gave** her the money she needed to get her car fixed!!!!!!!! **God is so good!!!!**
